Issue Instructions

General and Revenue Secretariat

Reservation of land for use of Rly Naval Fellows at Mysore

Serial No

Letter no A 361 of 13 9 48 from the Gr Mysore requesting in the circumstances that the Chairman City Improvement Trust Board, Mysore may be directed to allot available land & also for payment of compensation at least Rs 5 per Sq. yard for the land acquired by them

The former is invited to papers 41 43 & the records file put up & also to letter no R S 2817 of 30.5.1947 stating that the plot of Rly. land (4576 Sq yds) required may be handed over to the City Improvement Trust Board, Mysore on the Cond that no permanent structure other than the Reservoir is constructed on the land & that suitable compensation considered by the forwarding rates land to the Rly Dept

2) The Gr M states that the Chairman City Improvement Trust Board Mysore has replied that the vacant land sought for is not available & that he has offered a compensation of Rs 1-8-0 per for the land belonging to the Rly Dept It is stated that the rates in the area have fetched Rs 10/ per sq yard & that payment of compensation at the rate of Rs per sq yard at least is reasonable

3) The Chairman City Improvement Trust Board may be call-

General and Revenue Secretariat

Serial No

Letter No Dz c 69/46-47 & 11-11-48 from the chairman, Hyde Trust Board in the matter

14) The report of the chairman is submitted for perusal with reference to para 12 supra

15) It is seen therefrom that the land belonging to the Rly Dept was taken over by the Hyde Improvement Trust Board for constructing High Level Reservoir at Hyde, in view of the directions issued to the general manager of the Rlys by the Railway secretary in his letter dy 30-5-47, pending // x flg D acquisition proceedings & payment of compensation and - - - - - - that suitable compensation consistent with prevailing rates is fixed to the Rly Dept The question raised by the chairman in his letter dy 16-1-47 (to GP) whether the land should be acquired or taken possession of otherwise was not decided

16) But no acquisition proceedings have been initiated in this respect The dispute is between the Rly Dept & the Trust Board as to the question of fixing the rate of the land taken over by the Trust Board from the other

WD 0 303—GPB—30 000—11 0 48

Serial No

17) The general manager reports that the chairman may be instructed to allot suitable land for constructing staff quarters and to pay compensation at the rate of Rs 5/- per sq yard. The general manager has fixed this rate in view of the realisation from the sale of site at Rs 10/- per sq yard in this area

18) The chairman says that no land is available for being granted to the Rly dept in exchange and that the ~~area~~ claimed by the Rly dept is over stated inview of the fact that other sites are sold at Rs 1-8-0 per sq yard by the Trust Board

19) In the above circumstances, either compensation has to be found or land to the extent of 4.5.76 Hectares — the actual area taken over by the Board — has to be allotted to the ~~Trust~~ Rly dept

20) As no land is reported to be available near the place (near the Rly station) proposed by the general manager to be allotted to the Rly dept in exchange of their land a reasonable

value has to be fixed now in respect of the land of the Rly Dept The total area taken over is 4576 sq yds value ranging from Rs 2/- to Rs 3/- per sq yd may perhaps be fixed in view of the importance of the area ~~under~~ in question This is for orders

2) While the General Manager of the 27/11 Mysore State Rly States that sites in the area have fetched a value of as much as Rs 10/- per Sq yd, the Chairman of the Improvement Trust Board says that sites in the area are sold only at Rs 1-8-0 per Sq yd It is not clear which of these statements is correct The area in question is in an important and popular locality in Mysore and it would be somewhat surprising if sites were fetched only Rs 1-8-0 per Sq yd as stated

"Ex 28 4 48 In view of the difference of opinion in regard to the value of the land in the area, between the Railway Dept & the Mysore Improvement Trust Board, it seems desirable that the matter be settled by a Spot inspection Revenue 29 11 48

that the general Manager of the Mysore
State Railway urges for grant of
either land to the extent taken over
for the construction of the Reservoir
or compensation at the rate of Rs 5/- per
sq yd

3) In this connection, kind reference
is invited to para 5 of the letter of
11-11-48 of the chairman, in which
it is stated that the area suggested
by the general manager to be granted
in exchange, for the Rajl deptt, is
required by the V V water works deptt
for putting up reservoir etc it is not
clear whether this area is the same
as the one situated to the east-
A of Kalkarvan, now reported to be
available or otherwise

32) The chief engineer for irrigation
may therefore be consulted unofficially
as to whether both the areas ~~are the same~~
referred to at 'A' above are one and the same and
if not, whether this is required for any
purpose in connection with the Reservoir
at Mysore at present or in future

Sir,

Re Reservation of land for the expansion of Jewell Filters

30/15 Secl 31:7
21-5
19/11/48

Adverting to G O No R S 2817 dated 30-5-1947, I have the honour to enclose herewith for the information of Governme a copy of letter No B2 C 69/46-47 dated 9/11-6-1948 from the Chairman, City Improvement Trust Board, Mysore, addressed to my Chief Engineer together with a copy of reply sent to him

The area of land acquired by the Trust Board is 4576 square yards In lieu of this, suitable land near the Railway Station and now vacant opposite to the Akash Vani building was requested for constructing the staff quarters, but the Chairman has replied that no land is available for allotment

In view of the urgent need felt for additional quarters to house the staff belonging to one of the essential Services, I request you to kindly bring this matter to the notice of Government and to order the Chairman, City Improveme Trust Board, to allot suitable land and also for payment of a compensation of at least at Rs 5/- per square yard for the land acquired by them

I have the honour to be,
Sir,
Your most obedient servant,

RRamamurthy

General Manager

13 9 48

Letter No dated September 1948, from General Manager, Mysore State Railway, Mysore, to the Chairman, City Improvement Trust Board, Mysore

Re Reservation of land for the expansion of Jewell Filters

With reference to your letter No B2 C 69/46-47 dated 9/11-6-1948 addressed to the Chief Engineer, Mysore State Railwa and copy sent to this office, I have the honour to state that th compensation offered at Rs 1-8-0 per Square yard by you for the Railway land acquired, is very low and the rate cannot, therefore be accepted

The sites in that area have fetched to the Trust Board at Rs 10/- per square yard and I consider payment of compensation at the rate of at least Rs 5/- per square yard is a reasonable one and therefore request you to arrange payment to the Railway Department for the land measuring 4576 square yards in all acquired by the Trust Board, and settle the question early

In this connection I have to state that several staff quarters have to be built to house the staff and suitable land is necessary very near to the Railway Station The Chief Engine Mysore State Railway has been asked to intimate to this you the extent of the land required for this purpose In view of the urgent necessity to build up additional quarters to house the staff belonging to one of the essential services, I request you to kindly arrange allotment of suitable land very near to the Railway Station and advise me of action taken

MYSORE

To Janab Syed Abdul Aleem, B A
SECRETARY TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE
REVENUE DEPARTMENT BANGALORE

Sir

Re:- Land granted to Sri t, Vanivilas Water Works, for constructing Reservoir, at Mysore

2336

With reference to your letter No L 3645/III 160-43-2 dated 6th October 1943 I have the honour to state as follows -

1) The land has not been acquired under the Provisions of the Land Acquisition Act but as per Railway Secretary's letter No R S 2317 dated 30th May 1947 (Copy enclosed)

2&3) The land in question has been valued at Rs 1-8-0 per sq yd the rate at which the sites are sold by the Trust Board

4) The value of the land as claimed at 5/- per sq yd , is very abnormal in view of the fact that other sites are sold at 1-3-0 per sq yd by the Trust Board after spending large sums for formation etc , of sites

5) It is ascertained from the Chief Engineer for Irrigation in his letter No 420/ dated 25th July 1943 that the entire area is required by the Vanivilas Water Works Department for putting up reservoir etc , as such there is no land available for being granted to the Railway authorities in exchange

In this connection kind reference is invited to this office letter of even No dated 16th January 1947 soliciting instructions as to whether any acquisition proceedings are to be instituted or whether the same may be taken up as by mutual agreement

The question will be decided then

Yours faithfully,

O Mohammad
Chairman

THE CHAIRMAN
CITY IMPROVEMENT TRUST BOARD
MYSORE

To

JANAB MIR SARDAR HUSSAIN, B A ,
Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department, Bangalore

Sir,

Re - Disposal of land to the East of Akashvani Broadcasting Station

---

With reference to your letter No L 14235 dated 5th June 1949 enquiring as to how the land to the East of Akashavani Buildings is going to be disposed of, I have the honour to state that there are two plots of vacant land to the East of Akashavani Buildings - one plot of ground has already been laid out and the sites so formed have been allotted for the construction of quarters for the staff of Akashavani

The other plot which is in the rear of Vanivilas Water Works has been reserved for the construction of quarters to the staff of Vanivilas Water Works as already intimated in this office No B2 C 69/46-47 dated 11th November 1948

Under the above circumstances there is no vacant land available to the East of Akashavani Buildings for disposal to the Railway Department

Yours faithfully,
P Gopalakrishna Setty
Chairman
